## February 2018 Prayer Letter

*For even hereunto were ye called:  
Because Christ also suffered for us, leaving  
us an example, that ye should follow in his  
steps: (1 Pet. 2:21)*

Thank you for your prayers as we travelled to Cajamarca and Cajabamba, Peru last month. They were truly felt as our entire trip was without negative incident. The presence of the Lord was felt as we ministered and

sang, had bible study, witnessed in the streets, did visitation and encouraged and assisted to the needs of our Peruvian brothers and sisters and those from the States serving there.

Stewart and Katrina Stancil have truly forsaken all to heed the call of God to minister full time in Peru. Please keep them in your prayers as they minister in a place where the Gospel of Christ is very limited and corruption and immorality is prevalent.

The ministry is bearing fruit as many souls are being saved and disciplined. One of our greatest pleasures was seeing the number of

young adults and youth growing and serving the Lord.

With the New Year we hope you enjoy the new look of our prayer letter. As always we welcome any comments or questions.

**Lydia's Grace** is an approved subsidiary of Keystone World Outreach that focuses on sharing the love of Jesus to women in need through the distribution of feminine care products.

Lord willing we are preparing for another trip to northern Ontario to minister and distribute products to those in need. We will be visiting with several churches, a women's shelter, a soup kitchen, pregnancy centers, bible camps, a substance abuse rehabilitation center, and wherever else the Lord leads.

Here's where we need your help! Our supply of **feminine napkins, tampons** and **washcloths** is very low, will you help us resupply so the message of the Gospel of Jesus Christ can be shared along with each care need.

Please pray with us that the Lord will ordain our steps. *For even hereunto we have been called: Christ suffered for us, and left us an example, may each of us follow in his steps!*

We give thanks for each of you, our prayer partners and partners in ministry; soldiers for Christ. Please pray for us as we pray for each of you.

In Christ,
